As a group we are always looking for new subjects for our talks or visits so please if you wish to share your skills your have or subjects you are interested in leaning more about, please give brief details below.

By default we deliver your monthly newsletter as a **Full Colour copy via email**, plus back editions are available to download from our www. This is easiest for us and helps to keep our distribution costs down (currently Print & Post is over £1 a copy). If you don't have email/www then contact us and we can arrange to post you a b/w photocopy.

By paying your subscription, you are giving your consent to your membership details being held on computer for group administration purposes only.
